Babaji's Kriya Yoga Order of Acharyas

The goal of life is happiness, peace, love and enlightenment. The desire for perfection comes from the Self, the image of God which seeks to express itself through all humanity.

KRIYA YOGA is a scientific art of perfect God truth union. It was revived in modern times by a great master of India, Babaji Nagaraj, as a synthesis of the teachings of the 18 siddhas. It includes a series of techniques.

Friday
April 17, 2020
from 7:00 to 9:00 p.m.
at location to be announced

In this weekend you will learn 18 postures for greater health, relaxation and energy; the 6 phases of the powerful breathing technique, known as

**"Kriya Kundalini
Pranayama"**

to awaken and circulate subtle energies; 7 techniques of meditation to cleanse the subconscious, to master the mind and to bring about realization of the Self and Absolute Reality.

Dharmadas has been practicing Babaji's Kriya Yoga since 2013 and became an acharya in 2019. He is a loving husband and father. He and his wife Allison, also a teacher of Babaji's Kriya Hatha Yoga, are parents of 4 children. He has worked as a pediatric dentist in Boise, Idaho USA since 1999.

Luckily, he endured enough suffering in his early life to make him a determined and sincere seeker. The rich variety of techniques, the authenticity of the teachings, and the synergistic approach to this integral yoga inspired him to pursue this path. After receiving the 1st and 2nd initiations, he knew he was home. His practice continued to intensify, under the guidance of M.G. Satchidananda, as he participated in the 3rd initiation, the Kriya Hatha Yoga teacher training, and a pilgrimage to Badrinath.

When asked what has changed with Babaji's Kriya Yoga, he responds, "Life is lighter and more joyous. Others noticed the change in me before I could myself. There is now a feeling of connection, an ease to life." It is now with deep appreciation for all that Babaji's Kriya yoga has done to transform his life, that he passionately shares these teachings with others. He has a unique ability to convey the techniques so that anyone, with a bit of grit and aspiration, can mold and manifest a better life.
